Tarifs & Prestations

The diagram illustrates a uniform structure across six identical units arranged in a 2x3 grid. Each unit consists of a rectangular box with a diagonal 'X' inside, representing a container or a specific configuration. Below each box are four rows of dark gray rectangular blocks, arranged in a 4x4 grid pattern. The blocks are arranged in four rows: the first row has four blocks, the second row has four blocks, the third row has four blocks, and the fourth row has four blocks. This structure is repeated for all six units, indicating a consistent configuration across all units.
